

The Norwin Art League is the **ONLY** Local Non-Profit Organization Dedicated to Visual Art Enrichment for Youth and Adults in our Community .

Without the Norwin Art League, students would have to travel to distant locations for Visual Art Enrichment.

Please Consider Donating to this Worthy Organization. Your Donation will Benefit Hundreds of Local Citizens this year.

For 52 years the Norwin Art League has provided artistic enrichment to the Norwin Community. What began years ago as a simple club for avid painters has grown into **one of Westmoreland County's leading cultural organizations**. Today many of our adult students participate in annual competitions throughout the region and are recognized for the quality of their work. A number of our youth artists have gone on to careers in visual arts.

Your Norwin Art League is a substantial educational organization which conducts dozens of classes and workshops throughout the year. Classes range from oils, acrylics and watercolor to fiber art, scrapbooking, stamping and more. In addition, an open studio is held weekly, where students can work on their own individual projects in a relaxed, social environment.

We have greatly expanded our youth summer program during the past few years. The classes **have become so popular that we now offer youth classes year 'round**.

A variety of adult classes and workshops also run year 'round. These **classes provide artistic enrichment, self-worth and gratification to our older students** ... qualities of life that all too often disappear as a person ages. Unfortunately, the rising costs of art supplies, instruction, and facilities threaten to make this beneficial program cost-prohibitive to our fixed and lower income students.

Your Norwin Art League asks for your help. This is a unique opportunity for you to **support all age groups, as**

well as the arts and cultural enrichment in our local community. Your donation will help us keep the cost of our programs affordable to all participants.

We ask you to please consider one of the following opportunities of providing financial support:

Friend - For Up To \$30 in donations you will be recognized in our bi-monthly membership newsletters for one year.

Contributor - For \$31 - \$99 you or your company will be recognized in our bi-monthly membership newsletters and Annual Show Program.

In addition, Benefactors' names will be displayed on a sign at the Monroeville Show.

(Newsletters mail six times annually to over 130 members. Workshop announcements mail three times annually to over 700 participants. The mall show is viewed by thousands).

We sincerely thank you for your consideration,
